Latest Report Received as We Go to Press—From our Fire Boys at Jamestown.

In the state tournament now in progress at Jamestown. A. M. Baldwin, chief of our local department was elected as one of the trustees of the state association.

The first on the program was the dress parade and as usual the Cooperstown boys showed up well in their brilliant uniforms and took the prize.

The next event pulled off was the association race in which the locals again demonstrated that they could go some by coming out the fray with the winning ribbon.

Then came the hub-and-hub race and once more the Cooperstown boys came to the front far enough to win first place.

These are all that we are able to give our readers at this hour, but will be able to give full particulars in the next issue of the COURIER.

Here is wishing the boys good luck and that they keep the good work up as has been done at other tournaments.
