Notice for Publication. Department of the Interior, Land Office at Fargo, N. D., Aug. 19, 1905.
Notice is hereby given that the following named settler has filed notice of his intention to make commuted final proof in support of his claim, and that said proof will be made before Oscar D. Purinton, Clerk of District Court at Cooperstown, N. D., on Oct. 9, 1905, viz:

August Steinborn, Fred Steinborn, Charles Houghton and John Watne, of Cooperstown, N. D.
C. C. SCHUYLER, Register.

A Progressive Institution.

Keeping pace with business development in Minneapolis we find that educational matters have not been neglected. One of the largest educational institutions, the Eclectic Business College, after years of prosperity has, by reason of its increased patronage, been pushed into larger quarters.

The College is located in its new home at the corner of Third Avenue South and Fifth Street. The location is the best the city affords, being a quiet corner in a refined section.

The best faculty of business educators to be procured will be in charge of the various departments, which includes Bookkeeping, Shorthand, Typewriting, Penmanship, Telegraphy, Preparatory, Electrical Engineering, Civil Service, Teachers' and Physical Culture.

An attractive feature will be a thoroughly equipped gymnasium for both ladies and gentlemen.

The large number of graduates holding responsible positions is a standing tribute to the thoroughness of the work. An inspection of the new quarters discloses the fact that the Eclectic will be the best and most thoroughly equipped commercial school in the Northwest.

The fall term opens September 4th. Any young person interested in commercial work should write the Eclectic Business College, Minneapolis, for terms and catalog. 40

Precocious.

Small boys have a way of listening to remarks that older persons make and using them when least expected. A mother was surprised the other day to have her young son reply to her when she was reproving him for some trifling misconduct: "Well, mamma, you must put up with me. You know I'm just at the trying age."

A Mean Retort.

Wife—According to this paper, hot water will prevent wrinkles. Husband—So? Then how do you account for the numerous wrinkles I have? Wife—How do I account for them? Husband—Yes; you keep me in hot water nearly by all the time, you know.
