

The Serious Cost of a Joke.
From a Letter from Maine.
Hannibal Hamlin tells that when he was Speaker of the Lower House of the Maine Legislature there was among the members a very dandified old fellow whose chief weakness was in trying to conceal the baldness which was rapidly stealing over his head. He came into the House each morning with his hair so carefully combed that it looked as though each particular hair had been pasted in its place. Even as it was, there was scarcely enough to cover the bald spot. One morning Speaker Hamlin, thinking to have some fun, called this gentleman to him and said: "My dear Blank, I beg your pardon, but one of your hairs is crossed over the others." The member grew angry at once and replied: "You insult me, sir! you insult me!" and walked stiffly back to his seat. He refused to be reconciled, and he became Hamlin's life-long enemy. A few years later, when Hamlin was a candidate for the United States Senate, this man was again in the Legislature, and his vote decided the contest in favor of Hamlin's opponent.

A Chancellor's Opinion.
Hon. James Harlan, ex-Vice Chancellor of Louisville, Ky., a brother of Justice Harlan, U. S. Supreme Court, says of St. Jacobs Oil: "I use it, and I know full well whereof I speak in pronouncing it a most extraordinary cure for all that is claimed for it by its proprietors. Every family should have it."

Didn't Like Mrs. Brown.
"I thought you didn't like Mrs. Brown," observed Mr. Simpson to his wife upon their return from church on Sunday last.
"I don't. I detest her."
"And yet I saw you go up to her, kiss her, and walk all around the church with her, arm in arm. That is what surprises me with you women."
"There is nothing surprising in that. You noticed that she had a new saccage on?"
"Yes. It was very pretty, too."
"That is all you know about it. I had on my new seal skin cloak, too."
"Yes, but what of that?"
"I thought we would walk around the church to give her a chance to show her cloak off."
"That was kind in you. Then you have forgiven her?"
"Forgiven nothing! Her is only a plish imitation."

"Fools Rush in Where Angels Fear to Tread."
So impetuous youth is often given to folly and indiscretions; and, as a result, nervous, mental, and organic debility follow, memory is impaired, self-confidence is lacking; at night bad dreams occur, premature old age seems setting in, ruin is in the track. In confidence, you can, and should write to Dr. R. V. Pierce, of Buffalo, N. Y., the author of a treatise for the benefit of patients, and describe your symptoms and sufferings. He can cure you at your home, and will send you full particulars by mail.

Rev. Dr. Hewit, of the First Baptist church of Hoboken, was led to resign because of scandal concerning a dashing widow.

"Is there no balm in Gilead?"
Is there no physicians there?
Thanks to Dr. Pierce, there is a balm in his "Golden Medical Discovery"—a balm for every wound—to health, from colds, coughs, consumption, bronchitis, and all chronic, blood, lung and liver affections. Of druggists.

The attorney for the Des Moines river land settlers bill fell dead just as his bill had passed the senate.
Best French Brandy, Smart-Weed, Jamaica Ginger and Camphor Water, as combined in Dr. Pierce's Extract of Smart-Weed, is the best remedy for colic, diarrhoea, cholera morbus, dysentery or blood-flux; also, to break up colds, fevers and inflammatory attacks if used early.

Mr. Nelson has succeeded in getting the Duluth appropriations increased to \$50,000.

A Splendid Dairy
is one that yields its owner a good profit through the whole season. But you must supply the cows with what they need in order for them to be able to keep up their product. When their butter gets light in color he must make it "gilt edged" by using Wells, Richardson & Co's. Improved Butter Color. It gives the golden color of June, and adds five cents per pound to the value of the butter.

A Hundred Years might be spent in search of a remedy for Catarrh, Cold in the Head and Hay Fever, without finding the equal of Ely's Cream Balm. It is applied with the finger. Being pleasant and safe, it supersedes the use of all liquids and snuffs. Its effect is magical. It relieves at once and cures many cases which baffles physicians. Price 50 cents at druggists, 60 cents by mail. Ely Bros., Oswego, N. Y.

The La Crosse public building passed the house, the limit of the appropriation being fixed at \$100,000.

Catarrhal Headache.
I think Ely's Cream Balm is the best remedy for catarrh I ever saw. I never took anything that relieved me so quickly, and I have not felt as well for a long time. I used to be troubled with severe headaches two or three times a week, but since using the Balm have only had one, and that was very light compared with former ones. A. Alcorn, Agent, U. P. R. R. Co., Ligon, Colo.

DEATH-LIKE sensations frequently accompany Heart Disease, a reliable specific for it in all forms is Dr. Graves' Heart Regulator, thirty years proves it. Free pamphlet of F. E. Ingalls, Cambridge, Mass. \$1.00 per bottle.

A young Westerner named Judson Detszon was arrested in Boston for swindling banks.

It is not understood why druggists keep in stock so many kinds of medicines for coughs, colds and consumption, when it is only necessary to keep Allen's Lung Balm, that old, reliable remedy, which is a pure vegetable preparation, and perfectly harmless, as it contains no opium in any form. Sold everywhere.

The decision of the Swain court martial is not highly thought of in Washington.

Gentlemen—I can cheerfully say your ALLEN'S LUNG BALSAM, which I have used for the past fifteen years, sells better than any cough remedy, and gives general satisfaction. It is frequently recommended by the medical profession here. Yours truly,

Thousands Hastened to their Graves.
By relying on testimonials written in vivid glowing languages of some miraculous cures made by some largely puffed up doctor or patent medicine has hastened thousands to their graves; the readers having almost insano faith that the same miracle will be performed on them, that these testimonials mention, while the so-called medicine is all the time hastening them to their graves. Although we have

Thousands Upon Thousands!!!
of testimonials of the most wonderful cures, voluntarily sent us, we do not publish them, as they do not make the cures. It is our medicine, Hop Bitters, that make the cures. It has never failed and never can. We will give reference to any one for any disease similar to their own if desired, or will refer to any known town, as there is not a neighborhood in the known world but can show its cures by Hop Bitters.

A Losing Joke.
"A prominent physician of Pittsburg said to 'a lady patient who was complaining of her continued ill health, and of his inability to cure her, jokingly said: "Try Hop Bitters!" The lady took it in earnest and used the Bitters, from which she obtained permanent health. She now laughed at the doctor for his joke, but he is not so well pleased with it, as it cost him a good patient."

Fees of Doctors.
The fee of doctors at \$3.00 a visit would tax a man for a year, and in need of a daily visit, cover \$1,000 a year for medical attendance alone! And one single bottle of Hop Bitters taken in time would save the \$1,000 and all the year's sickness.

Given up by Doctors.
"Is it possible that Mr. Godfrey is up and at work, and cured by so simple a remedy?"
"I assure you it is true that he is; he is carefully cured, and with nothing but Hop Bitters, and only ten days ago his doctors gave him up and said he must die, from Kidney and Liver trouble!"

None genuine without a bunch of green Hops on the white label. Shun all the vile, poisonous stuff with "Hop" or "Hops" in their name.
