

Report: Gen. Grant's Condition.

The following appeared in the New York Medical Record on March 28.

During the past week Gen. Grant has been in a comparatively comfortable condition. The insomnia with which he has been affected has been controlled so he obtains, by aid of anodynes, a normal amount of sleep. He has not lost flesh, and his powers of assimilation are not impaired. At the weekly consultation, attended by Drs. J. H. Douglas, H. B. Sands and George F. Shady, it was decided that the local disease was still in abeyance and that the area of ulceration had not perceptibly increased. Virtually the same stationary tendency was noted by Dr. Forlyce Barker, who had visited the distinguished patient at intervals during that period. The swelling under the right angle of the lower jaw is somewhat greater, but the gland in that situation is not more indurated, nor has it become more firmly fixed. The ulcerated surfaces in the throat and on the tongue are covered with a yellowish exudation, to which alternate applications of water and a weak solution of permanganate of potash have been effectively made by Dr. Douglas. The topical remedies employed have had their desired effect in reducing the local irritation and imperceptibly checking the progress of inflammation. There is no pain in swallowing. No fever is entertained at present, any sudden failure of the vital powers, nor any encroachment of the ulcerative process upon any of the neighboring blood vessels. The general is able, with no other assistance than that of his cane, to walk about his rooms, ascending and descending the stairs, and was strong enough to enjoy an airing in his carriage during the fine afternoon of Wednesday.

Wonders Never Cease.

Prof. C. Donaldson, New Orleans, La., proprietor of Museums, who suffered eighteen years with rheumatic pains states he has spent ten thousand dollars to get cured. After trying doctors, famous baths, electric appliances and legions of liniments without relief, he tried St. Jacobs Oil, which completely cured him. It is a wonderful remedy, he says, and he has sold his crutches.

New Minister to Turkey.

The president has nominated and the Senate confirmed S. S. Cox of New York as envoy extraordinary and minister plenipotentiary of the United States to Turkey. Mr. Cox was born at Zanesville, Ohio, Sept. 30, 1824. He was educated at the Ohio University and Brown University. He studied law and practiced law and owned and edited the Columbus (Ohio) Statesman in 1854. The following year he was appointed secretary of legation to Peru. He represented the Columbus (Ohio) district in the Thirty-fifth, Thirty-sixth, Thirty-seventh and Thirty-eighth congresses, and having removed to New York city in 1865, has since been a Democratic member of every congress since and including the forty-first. He is also a member-elect of the forty-ninth. In the forty-fourth congress he served for a time as speaker pro tem. He is the author of several works, and was for many years a constant contributor to the periodical press.

Is it Not Singular

that consumptives should be the least apprehensive of their own condition, while all their friends are urging and beseeching them to be more careful about exposure and overdoing. It may well be considered one of the most alarming symptoms of the disease, where the patient is reckless and will not believe that he is in danger. Reader, if you are in this condition, do not neglect the only means of recovery. Avoid exposure and fatigue, be regular in your habits, and use faithfully of Dr. Pierce's "Golden Medical Discovery." It has saved thousands who were steadily failing.

It is not understood why druggists keep in stock so many kinds of medicines for coughs, colds and consumption, when it is only necessary to keep Allen's Lung Balm, this old, reliable remedy, which is a pure vegetable preparation, and perfectly harmless, as it contains no opium in any form. It cures the worst cases of Catarrh, Cold in the Head, and Hay fever, giving relief from the first application. All druggists have it. Price 50 cents. By mail 60 cents. Ely Bros., Owego, N. Y.

I HAVE BEEN bothered with catarrh for about twenty years. I could not tell how many different remedies I have tried, and none seemed to reach my case like Ely's Cream Balm. I had lost my smell entirely for the last fifteen years, and I had almost lost my hearing. My eyes were getting so dim I had to get someone to thread my needle. Now I have my hearing as well as ever had, and I can see to thread as fine a needle as ever I did, and my smell is partly restored, and it seems to be improving all the time. I think there is nothing like Ely's Cream Balm for Catarrh.—Mrs. E. E. Grimes, 67 Valley St., Rendell, Perry Co., Ohio.

Milton W. Smith was convicted at Omaha of killing his wife.

Butter Buyers

He was a most pitiable looking object. At last I thought of Swift's Specific, and commenced to use it. I used fifteen bottles. In August last all symptoms of the disease disappeared.
