

A short time ago one of the strikers at the McCormick paper factory at Chicago, attempted to stop one of the company's busses on its way to the works. A Pinkerton detective inside the bus shot the man dead. At night a large body of strikers lately employed in the paper works gathered around its walls and made some demonstrations. Those in charge fearing an attack would be made sent for assistance, and a number of Pinkerton police were loaded into an omnibus, together with twenty-five muskets and the necessary ammunition, and sent to the works. As they neared the place they were surrounded by strikers, who stopped the vehicle and went for the men inside. Several shots were fired, but the only person hit was one of the policemen, who received a scalp wound. The police were driven out of the bus, their guns captured, the horses un hitched and the bus burned.

\$500 Not Called For.

It seems strange that it is necessary to persuade men that you should have their diseases offering a premium to the man who fails to receive benefit. And yet Dr. Sage undoubtedly cured thousands of cases of obstinate catarrh with his "Catarrh Remedy," who would never have applied to him, if it had not been for his offer of the above sum for an incurable case. Who is the next bidder for cure or cash?

Dan Mace, the well known sporting man, is reported to be dying of Bright's disease of the kidneys.

A Wonderful Freak of Nature is sometimes exhibited in our public exhibitions. When we gaze upon some of the peculiar freaks of nature occasionally indulged in, our minds revert back to the creation of man, "who is so fearfully and wonderfully made." The mysteries of his nature have been unraveled by Dr. R. V. Pierce, of Buffalo, and through his knowledge of those mysteries he has been able to prepare his "Golden Medical Discovery," which is a specific for all blood taints, poisons and humors, such as scrofula, pimples, blotches, eruptions, swellings, tumors, ulcers and kindred affections.

The Lucky Man.

Geo. A. Spear, the lucky man who drew the \$75,000 in the Louisiana State Lottery, was met by The Tribune scribe last evening in the post office. He has not changed any since the good news came, with the possible exception that his face is now often bedecked with smiles. The wealth so suddenly heaped upon him has not elevated his head above the common herd, and he talked to the reporter the same as he used to. In answer to questions he said: "I will collect the money through the banks, the same as I would a draft, sending the lottery ticket as a draft. As to my future business, I am not fully decided upon, but I will make no change during this cold weather any way. I am clerking in the store yet, just as though nothing had happened."—Bay City (Mich.) Tribune, March 21.

Geo. A. Spear yesterday received a New York draft for \$74,850, in payment of his claim against the Louisiana State Lottery. The exchange for collecting the \$75,000 was \$150.—Bay City (Mich.) Tribune, March 27.

The bottle of Ely's Cream Balm that I obtained of you last summer has entirely cured my little boy of a severe attack of catarrh.—Mrs. Sallie Davis, Green Bay, Wis.

One of my children, a girl about nine years old, had a very bad discharge from her head and nose of a thick, yellowish matter, and was growing worse. We had two different physicians prescribe for her, but without benefit. We tried Ely's Cream Balm, and much to our surprise in three days there was a marked improvement. We continued using the Balm and in a short time the discharge was apparently cured.—O. A. Cary, Corning, N. Y.

WHOOPIING COUGH CURED.

O. A. HARRIS, of Benevolence, Ga., writes, Dec. 13, 1884: "My little boy, but little more than a year old, had a severe attack of WHOOPING COUGH, which my family physician said could not be cured, as it was winter. Having heard of the merits of ALLEN'S LUNG BALSAM, I immediately proceeded to town and purchased a bottle. To my surprise, this one bottle cured him sound and well. Others, hearing of the result, tried it, with equally good results. Later, my two little girls had Whooping Cough, and one bottle cured both of them. We think Whooping Cough is not much to be dreaded, if ALLEN'S LUNG BALSAM can be had and given."
