Premium.

To those parties sending in their subscription arrears and paying one year in advance, we will present a year's subscription to the Farm, Stock and Home, a semi-monthly agricultural paper published at Minneapolis, for Minnesota, Dakota and Montana. This is much the best paper of the kind issued in the Northwest. Remember, on above conditions we present you with One Year's Subscription.

Every farmer should consider it of the greatest importance to raise the pure bred stock. The day of scrub horses, scrub cattle and long-nosed porkers is past.

JOB PRINTING Remember, for letter heads, dodgers envelopes, posters, tickets, etc., the COURIER office is not a Cheap John establishment, but that the stock used is of the best quality, and the prices—Fargo prices. Cheap John work, in wholesale amounts, at the retail cost of first-class stock.

The Clydesdales are powerful horses, and especially adapted to this country. They have fine action and are of good temper.
