**Afghans.**

The Afghans are supposed to be of Jewish origin. The Jews used to manufacture them. They are about 4 feet long and about 4 feet broad, and are striped generally, like the zebra. They are also all wool and a yard wide. They are Mohomedans, and, although the Koran forbids the use of wine, an ordinary Afghan will absorb several large bottles,—also Old Rye unlimited, as is evidenced by many a Dakota picnic party. They have always been worsted, ever since the improved carriages came into use.

**Commissioners' Proceedings.**

Peterson's Magazine for June comes to us ahead of all others. The principal steel engraving alone is worth the subscription price. A charming story by Frank Lee Benedict illustrates this pretty picture. The colored steel fashion plate is also unusually brilliant, even for Peterson. Most of the other illustrations—some fifty in number—are devoted to the fashions, to patterns in embroidery, etc. Considering the low price of the magazine, and its very great merit, every family ought to take it. Terms \$2 per year, with great reductions to clubs, and costly premiums to those getting up clubs. Chas. J. Peterson, 306 Chestnut Street, Philadelphia.

Dr. Newell, accompanied by F. H. Adams drove up to see Peter Mathison Monday. Although confined to his bed, Peter is as good as several dead men, and the doctor intends to have him up ready for haying.

Mr. H. Retzlaff has been presented by his cousin, August Retzlaff, of Prussia, with a handsome meerschum pipe, and cigar holder.

**The Mirror**

is no flatterer. Would you make it tell a sweeter tale? Magnolia Balm is the charmer that almost cheats the looking-glass.

**ADVICE TO MOTHERS.**

Are you disturbed at night and broken of your rest by a sick child suffering or crying with pain of cutting teeth? Mrs. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETHING is pleasant to the taste, and is the prescription of one of the oldest and best female nurses and physicians in the United States, and is for sale by all druggists throughout the world.
