BOWDEN & BUCK'S

The universal favor with which our goods have been received by the inhabitants of the Golden Northwest during the last year has induced us to put forth renewed efforts to supply the demands with the best goods at the lowest possible prices.

Neither pains nor expense are spared in obtaining first-class goods and accommodations of customers. Examine our stock of Boots and Shoes. Keeping His Wife Down to Her Work.

A Newark artist has a canary which has made nine attempts to raise a brood of young since February, but, owing to her shiftless habits, has failed utterly. She is now engaged in the tenth trial and has five eggs in the nest. The male bird has taken an interest in the matter now, with the evident intention of compelling her to stick closely to duty. For seven days he has held her down to her work by sitting across her back in the nest.

Please put this in the paper:

Advise the farmers around Dazey—Those who have a sheep dog or a cat must take care of them, for the Dazey boys are taking such animals for bears. Bob tal carlo of Cooperstown was visiting Ball Hill the other night and the Dazey boys took him for a bear. They was after him with Winchester rifles and shot guns loaded with salt. I pitte the bear. A woman in New York heard a burglar in the house, the other night, whereupon she arose and threw him down stairs, breaking his leg. It proved to be her husband, who, on returning from the club, had carelessly neglected to take his shoes off before going up the stairs.—St. Paul Day.
