Beaten by a Steam Yacht.

For more than twenty two years the side wheel steambot Mary Powell has been recognized as the fastest boat on the Hudson river; she makes an average of twenty miles an hour, and according to a pamphlet issued by the owners, "in the year 1882, she ran at the rate of 26 miles an hour, between Milton and Poughkeepsie, making the four miles in nine minutes." Boats of all sorts of shapes, big and little, side wheels and propellers, have unsuccessfully attempted to wrest from her the well earned title of Queen of the Hudson. But on the 10th inst. she was badly beaten by a small steam yacht of very insignificant appearance. The run was from this city to Sing Sing, a distance of thirty miles, and was made by the steam yacht Stiletto in one hour and fifteen minutes, the Mary Powell, on her regular trip to Rondout, being beaten about two miles. —Scientific American.

Silas Smith, of Peabody, Mass., lost his jack-knife forty years ago. Last week he found it, and fully identified it in a badly rusted knife, taken out from under the stone steps in front of Allen's block, the steps being raised to make repairs.—Ex.

The Hessian fly has greatly damaged the wheat crop in California, and where twenty bushels to the acre was expected not more than seven bushels will be realized.

It is noted that as a result of tree culture birds are becoming quite numerous in parts of Dakota. In Kingsbury and some other counties, quails are making their appearance.—Exchange.

Gov. Austin is to be Fourth of July orator at Valley City. Hon. C. D. Austin and Hon. H. S. Oliver will also make addresses.

After the 29th inst. the Fargo & Southern will put on a night express train, making two through trains daily. The night trains will be run with their own sleepers—each berth a section.

A little girl who had the idea of the omnipresence of God early and forcibly impressed upon her mind, was heard the other day driving her pet dog away with the remark that she did not want him to follow her, as it was bad enough to have God "tagging after her" constantly.—Larimore Pioneer.
