Wednesday's Storm.

The intense heat of Wednesday was followed at 3 p. m., at Cooperstown, with a heavy rain, which extended nearly to Bald Hill creek. At about 7 p. m. black clouds rolled in from the north before a heavy wind; and rain and hail fell for twenty minutes. So strong was the breeze that glass was shattered in several buildings; and, throughout a limited area. co siderable damage was done. Wherever the hall struck the damage to the crop varies from 5 to 40 per cent. Among the sufferers are Allen Breed, F. M. Rockwell, R. C. Brophy, James Rankin, Geo. W. Bathey, B. B.
