**Victoria C. Woodhull in England.**

London; Aug. 7.—Mrs. Victoria Clafin Woodhull now fills a high place in English society. Her husband, John Biddulph Martin, is the wealthy banker of 68 Lombard street. His cousin, Geo. T. Biddulph, banker of Charing Cross, is married to Lady Wilfreda, daughter of Lord Selborne; her brother to the present Prime Minister, the brother to the Marquis of Salisbury's daughter. Very soon one of the wealthiest men in England, and titled, will marry Miss Tennie C. Clafin. The two great female reformers will doubtless visit the United States from time to time, but their homes will always be in England. Mr. and Mrs. John Biddulph Martin accompanied the British Association last year, when he (vice president of the society) read his paper in Montreal upon "the Future of the United States." "Truth is stranger than fiction."
