—LOCALS.—

Another frost, Tuesday night.  
Stee & Alstad commenced threshing for Little & Clendenning, Wednesday.

Miss Etta Clendenning has been engaged to teach the young ideas a term of three months, commencing August 1st.

Rev. S. W. Donaldson will preach in the school house next Sunday, morning and evening, at the usual hour.

Quite an improvement on our elevator in way of a shed being built over the hoppers, thus giving the farmer a chance to unload grain in the dry.

Nelson Bros.' new thresher, a Hubor, arrived this week, and a daisy she is. They commenced threshing this Thursday.

Elevator Agent Larson is anticipating a "picnic" this fall, as a great number of farmers are preparing to ship their own grain.

John Walks has secured the job of painting the Nelson Bros. building. He has already given the front the first coat, which adds greatly to its appearance.

It is rumored that the name of Hans Oppgaard will appear on the petition to be laid before the county commissioners at their next meeting, for justice of the peace of this district. We fail to see where a better choice could be made. Mr. Oppgaard is one of our best farmers, and well qualified for the office, and we feel confident will do justice to one and all. We trust he may have the support of the whole community.

Mr. L. E. Nelson, of Nelson Bros. & Co., is here, bag and baggage, to stay. He will assume immediate charge of the company's store at this place, with his present quarters over the store, which apartment is being rapidly finished and furnished in elegance. We are glad to have Mr. Nelson and family among us.

NOTICE—A special meeting, Saturday Sept. 5th, at 8 p. m., is called by the members of the "Owl Club," at their club room in Dazezy, for the purpose of electing officers and initiating a candidate, Mr. Lightfoot, and transacting such other business that may come before the club. C. A. LIMBERG, Sec'y.  
Dazezy Station receipts for month of August were \$2,427.94.
