Wheat all going No. 1 hard.
The first shipment of new wheat, Monday, consigned to Lenham Elevator company at Duluth.

The rush of wheat to our elevator is nothing compared to last year. Ten days of steady threshing done, and only 1,000 bushels marketed.

F. F. Ricker, of Chicago, is looking after his threshing, and making improvements on his farm.

A church organization will soon be perfected, and steps taken to support a minister.

Nelson Bros. are trying to obtain ground of the N. P. for the erection of a grain house, but the rumor is that the company have agreements not to allow the right of way. Should this be true we will have to pull through this fall with no competition. But at the beginning of another season the prospects are good for two elevators here. We say put them up. We have the country to support them.

Mr. Flagler has gone to Casselton for a few days.

Mr. and Mrs. O. H. Nelson returned to Fargo, Monday.

J. H. Vallandigham, of the COURIER, shook hands with a few friends Monday.
