

The Lively Queen Regent.

The Queen Regent of Spain is knocking the blue laws of Spanish etiquette to pieces at a jolly rate. The other day she called a meeting of the Ministry at the Castle of Aranjuez. When the statesmen reached the gate of the park they found the Queen and the Princess Isabel waiting for them. The Queen was in a victoria and the Princess Isabel was in a drag and four. The Queen was driving. She invited Senor Segasta to take a seat beside her, and the other Ministers were accommodated in the drag. On reaching the castle coffee was brought and the Queen ordered cigars to be produced as well and offered to the gentlemen. The Ministers seemed to hesitate. In all the annals of Spanish history no subject has ever smoked in the presence of a Queen. The Queen Regent, however, gave the command, and the Ministers, like dutiful subjects, obeyed. Gold Sticks and Chamberlains have been ever since in hopeless despondency.

Sir Roger Tichborne, of England, was cured of rheumatism by the use of St. Jacobs Oil and recommends it highly. Sold by Druggists and Dealers everywhere.

Sensible Princess.

When Princess Henrietta of Schleswig-Holstein married Prof. Esmark, one of Germany's greatest surgeons, she was snubbed and ignored by her family, who considered her marriage a frightful mesalliance. This Princess, who is Prince Christian's sister, never complained of this treatment, but lived happily in retirement with the husband of her choice. The imperial family now, desiring the advice of the professor as to the Prince's throat, have made overtures of reconciliation, although they are rather afraid of being snubbed themselves. They are preparing the way by offering to ennoble the professor and making a very pretty display of renewed affection for the Princess, his wife.

Somebody's Child.

Somebody's child is dying—dying with the flush of hope on his young face, and somebody's mother thinking of the time when that dear face will be hidden where no ray of hope can brighten it—because there was no cure for consumption. Reader, if the child be your neighbor's, take this comforting word to the mother's heart before it is too late. Tell her that consumption is curable; that men are living to-day whom the physicians pronounced incurable, because one lung had been almost destroyed by the disease. Dr. Pierce's "Golden Medical Discovery" has cured hundreds; supplies cod liver oil, hypophosphites, and other medicines in curing this disease. Sold by druggists.

Young Man go Home Sober.

If after an evening's racket or dissipation, when you are ashamed to be seen by your good old mother, or your patient waiting wife, who is too willing to believe that you have been out on honest business, go to some druggist or barkeeper and tell him you want a tumbler of the coming national beverage, Moxie. It will remove it all in an hour, and you will wake up in the morning with no ill effects of your bad behavior. If you have an appetite for liquor it will remove it. If your wife earns your living for you get a bottle for her. It will rest her aching limbs and give her double powers of endurance.

Grand Success.

If Allen's "Iron Tonic Bitters" had not proved to be a grand success for the cure of Dyspepsia, Liver Complaints and Blood Disorders, the country would not have been flooded with base imitations. Every bottle of the genuine bears the signature of J. P. Allen, St. Paul, Minn.

Kindly Treated by Bismarck.

Two young English ladies living at Dresden recently went to Berlin on a visit, and wishing to make the most of their time, wrote to the Chancellor expressing their fervent wish to see him;

whereupon they received an invitation to his palace, where they were most kindly received. A servant took them through the palace and showed them everything of interest, with which they were, of course, greatly delighted, their joy culminating when Prince Bismarck himself suddenly appeared and addressed them most kindly in fluent English, walking with them for some time in the garden before bidding them farewell.

Angular Handwriting.

The new style of angular handwriting reminds one of the round hand that succeeded the copy-book pot-hooks of olden times, or of the old fashioned picket fence on a rampage, or the monumental slabs of an out-west cemetery. All uniformity is skillfully avoided by the expert calligraphist and the letters are so large that he who runs may read. Young ladies affect this style, which is an importation of the Anglo maniacs. It is especially popular in Washington among diplomatic circles. In Chicago there is a special school to teach it. For the time it is the most popular way for the scholar to make her mark, it being peculiarly exclusive to lady correspondents.

Among those who write the angular-est of angular letters in an off-hand, business way is Miss Daisy Garland, the charming daughter of Gen. Garland, of Washington.

A beautifully clear hand with letters formed very high is that of Margaret Eytine.

Miss Rose Elizabeth Cleveland, the President's sister, writes a manly, flowing style, less daring than the ultra-angular hand but quite as difficult to read. No seal.

Mrs. Gen. Custer employs a quill pen and writes on elegant mourning paper. Her angular letters are graceful and characteristic. She uses a black seal with monogram.

Belva A. Lockwood makes better capitals than any other woman in America. She uses green wax and seals with a thimble.

Kate Putnam Osgood writes a very legible hand, with round, full-formed letters and considerable stress of the pen, on the y's and g's.

Rosa Hartwell Thorpe, author of "Curfew Must Not Ring To-night," writes a delicate womanly hand, without a trace of the "angular" or heroic type.

S. Fillmore Bennett, the author of "The Sweet By and By," writes such a dainty hand that is never credited to a masculine pen. He punctuates with care.

Orelia Key Bell writes a rapid business hand, each letter sharp and defined, but no time lost in flourishes. The signature is dainty and lady-like, with the turn of the O in Orelia carried across to the B in Bell; the K in the center overtops the other capitals in a symmetrical way, and the whole name is finished with an ornamental dash below it. The seal is composed of the initials in facsimile of the owner's writing.

The good gray goose quill is coming in. Those who like to tickle their noses with a feather find a substitute for the thought-inspiring quill in the long pheasant tail feather which has a steel pen for a nib. As making a pen out of a quill belongs to the lost arts it will hardly be a popular renaissance.

That Tired Feeling

The warm weather has a debilitating effect, especially upon those who are within doors most of the time. The peculiar, yet common, complaint known as "that tired feeling," is the result. This feeling can be entirely overcome by taking Hood's Sarsaparilla, which gives new life and strength to all the functions of the body.

"I could not sleep; had no appetite. I took Hood's Sarsaparilla and soon began to sleep soundly, could get up without that tired and languid feeling; and my appetite improved." B. A. SANDFORD, Kent, Ohio.

What Ails You?

Do you feel dull, languid, low-spirited, lifeless, and indiscribably miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "goneness," or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, Dr. PIERCE'S GOLDEN MEDICAL DISCOVERY will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in and, sooner or later, induce a fatal termination.

DR. PIERCE'S GOLDEN MEDICAL DISCOVERY acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood-taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

BILIOUS ATTACK.
DAVID G. LOWE, Esq., of St. Asaph, Montpelier, Canada, says: "About one year ago, being troubled with a terrible bilious attack, fluttering of the heart, poor rest at night, etc., I commenced the use of your Golden Medical Discovery and 'Pellets,' and derived the very highest benefit therefrom."

MALARIAL FEVER.
Mrs. MOLLIE E. TAYLOR, Connelton, Ind., writes: "I think the 'Golden Medical Discovery' is one of the greatest medicines in the world. I gave it to my little girl and it cured her of the malarial fever."

Dyspepsia.—THERESA A. CASS, of Springfield, Mo., writes: "I was troubled one year with liver complaint, dyspepsia, and sleeplessness, but your 'Golden Medical Discovery' cured me."

LIVER DISEASE.
Mrs. ELIZABETH J. BUSHAW, of Sidney, Ohio, writes: "My little boy was afflicted with liver trouble and other diseases that our family physician said he could not live. In fact, they all thought so. I gave him Dr. Pierce's Pellets and they saved his life. We have also used the 'Golden Medical Discovery' for throat and bronchial trouble, and found such perfect relief that we can also recommend it very highly."

LIVER DISEASE & HEART TROUBLE.
Mrs. MARY A. McCLELLAN, Columbus, Kans., writes: "I addressed you in November, 1894, being afflicted with liver disease, heart trouble, and female weakness. I was advised to use Dr. Pierce's Golden Medical Discovery, Favorite Prescription and 'Pellets.' I used one bottle of the 'Prescription,' five of the 'Discovery,' and four of the 'Pleasant Purgative Pellets.' My health began to improve under the use of your medicine, and my strength came back. My difficulties have all disappeared. I can work hard all day, or walk four or five miles a day, and stand it well; and when I began using the medicine I could scarcely walk across the room, most of the time, and I did not think I could ever feel well again. I give your remedies all the credit for curing me, as I took no other treatment after beginning their use. I am very grateful for your kindness, and thank God and thank you that I am as well as I am, after years of suffering."

LIVER DISEASE.
Mrs. I. V. WEBBER, of Yorkville, Ontario, Co., N. Y., writes: "I wish to say a few words in praise of your 'Golden Medical Discovery' and 'Pleasant Purgative Pellets.' For five years previous to taking them I was a great sufferer; I had a severe pain in my right side continually; I was unable to do my own work. I am happy to say I am now well and strong, thanks to your medicine."

Dyspepsia.—JAMES L. COLBY, Esq., of Fucusan, Houston Co., Minn., writes: "I was troubled with indigestion, and would eat heartily and grow poor at the same time. I experienced heartburn, sour stomach and many other disagreeable symptoms common to that disorder. I commenced taking your 'Golden Medical Discovery' and 'Pellets,' and I am now entirely free from the dyspepsia, and am, in fact, healthier than I have been for five years. I weigh one hundred and seventy-one and one-half pounds, and have done as much work the past summer as I have ever done in the same length of time in my life. I never took a medicine that seemed to tone up the muscles and invigorate the whole system equal to your 'Discovery' and 'Pellets.'"

INVIGORATES THE SYSTEM.

GENERAL DEBILITY.
Mrs. PARNELL BRUNDAGE, of 181 Lock Street, Lockport, N. Y., writes: "I was troubled with chills, nervous and general debility, with frequent sore throat, and my mouth was badly cankered. My liver was inactive, and I suffered much from dyspepsia. I am pleased to say that your 'Golden Medical Discovery' and 'Pellets' have cured me of all these ailments and I cannot say enough in their praise. I must also say a word in reference to your 'Favorite Prescription,' as it has proven itself a most excellent means of curing females. It has been used in my family with excellent results."

Chronic Diarrhea Cured.—D. LAKARNE, Esq., 875 and 877 Decatur Street, New Orleans, La., writes: "I used three bottles of the 'Golden Medical Discovery,' and it has cured me of chronic diarrhea. My bowels are now regular."

Chills and Fever.—Rev. H. E. MOSELEY, Montmorenci, S. C., writes: "Last August I thought I would die with chills and fever. I took your 'Discovery' and it stopped them in a very short time."

"FOR THE BLOOD IS THE LIFE."

Thoroughly cleanse the blood, which is the fountain of health, by using DR. PIERCE'S GOLDEN MEDICAL DISCOVERY, and good digestion, a fair skin, buoyant spirits, and bodily health and vigor will be established. GOLDEN MEDICAL DISCOVERY cures all humors, from a common

Blotch, or Eruption, to the worst Scrofula. Salt-rheum, "Fever-sores," Scaly or Rough Skin, in short, all diseases caused by bad blood, are conquered by this powerful, purifying, and invigorating medicine. Great Eating Ulcers rapidly heal under its benign influence. Virulent blood-

poisons are, by its use, robbed of their terror. Especially has it manifested its potency in curing Tetter, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hip-joint Disease, "White Swellings," Goitre, or Thick Neck, and Enlarged Glands.

INDIGESTION, BOILS, BLOTCHES.
Rev. F. ASBURY HOWELL, Pastor of the M. E. Church, of Sturton, N. J., says: "I was afflicted with catarrh and indigestion. Boils and blotches began to arise on the surface of the skin, and I experienced a tired feeling and dullness. I began the use of Dr. Pierce's Golden Medical Discovery as directed by him for such complaints, and in one week I was a new man, and am now sound and well. The 'Pleasant Purgative Pellets' are the best remedy for bilious or sick headache, or tightness about the chest, and bad taste in the mouth, that I have ever used. My wife could not walk across the floor when she began to take your Golden Medical Discovery. Now she can walk quite a little ways, and do some light work."

A BAD ULCER.
ISAAC E. DOWNS, Esq., of Spring Valley, Rockland Co., N. Y., writes: "The 'Golden Medical Discovery' has cured my daughter of a very bad ulcer. Three bottles healed it up perfectly."

Goitre, or Thick Neck.—JULIA P. BECKWITH, of 407 West Gray Street, Elmira, N. Y., writes: "After the use of your 'Golden Medical Discovery' and 'Favorite Prescription,' together with your good advice, my neck has now become perfectly well."

HIP-JOINT DISEASE.
Mrs. IDA M. STRONG, of Atsenuoth, Ind., writes: "My little boy had been troubled with hip-joint disease for two years. When he commenced the use of your 'Golden Medical Discovery' and 'Pellets,' he was confined to his bed, and could not be moved without suffering great pain. But now, thanks to your 'Discovery,' he is able to be up all the time, and can walk with the help of crutches. He does not suffer as much pain, and can eat and sleep as well as any one. It has only been about three months since he commenced using your medicine. I cannot find words with which to express my gratitude for the benefit he has received through you."

A TERRIBLE AFFLICTION.
The "Democrat and News" of Cambridge, Maryland, says: "Mrs. ELIZA ANN POOLE, wife of Leonard Poole, of Williamsburg, Dorchester Co., Md., has been cured of a bad case of Eczema by using Dr. Pierce's Golden Medical Discovery. The disease appeared first in her feet, extended to the knees, covering the whole of the lower limbs from feet to knees, then attacked the elbows and became so severe as to prostrate her. After being treated by several physicians for a year or two she commenced the use of the medicine named above. She soon began to mend and is now well and hearty. Mrs. Poole thinks the medicine has saved her life and prolonged her days."

Mr. T. A. AYRES, of East New Market, Dorchester County, Md., vouches for the above facts.

CONSUMPTION, WEAK LUNGS, SPITTING OF BLOOD.

GOLDEN MEDICAL DISCOVERY cures Consumption (which is Scrofula of the Lungs), by its wonderful blood-purifying, invigorating and nutritive properties. From its marvelous power over this terrible fatal disease, when first offering this now world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "CONSUMPTION CURE," but abandoned that name as too restrictive for a medicine which, from its

wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequalled, not only as a remedy for Consumption, but for all Chronic Diseases of the Liver, Blood, and Lungs. For Weak Lungs, Spitting of Blood, Shortness of Breath, Bronchitis, Chronic Nasal Catarrh, Severe Coughs, Asthma, and kindred affections, it is a sovereign remedy. While

it promptly cures the severest Coughs it strengthens the system and purifies the blood. The nutritive properties of extract of malt and cod liver oil are trifling when compared with those possessed by the "Discovery." It rapidly builds up the system, and increases the flesh and weight of those reduced below the usual standard of health by "wasting diseases."

GAINED 25 POUNDS.
"Wasting Disease."—WATSON F. CLARKE, Esq., (Box 100, Summerside, Prince Edward Island, Can.), writes: "I would like to give you a slight testimony for the benefit which I have received from your preparations during the past twelve months. When I commenced taking your 'Golden Medical Discovery' I did so at the solicitation of J. A. Gormley, druggist of this place. He had sold me many other preparations, always recommending your 'Discovery,' which I did not take, owing to prejudice. However, I finally took his advice and your medicine, and have never been sorry for either, as I am to-day a healthy man, while one year ago I was not able to work and was a burden to myself. At that time I weighed 123 pounds, and today I weigh 147 pounds. Then I used to eat about one meal a day, and now can eat four or five if I dared to. After all these benefits, how can I refrain from adding my testimonial, unsolicited, to the thousands already in your possession."

CONSUMPTION.
SOLOMON BUTTS, of North Clayton, Miami Co., Ohio, writes: "I have not the words to express my gratitude for the good your 'Golden Medical Discovery' has done my wife. She was taken with the consumption, and after trying one doctor after another I finally gave up all hope of relief. Being very poor and having but one dollar in the world, I prayed to God that he might show me something; and then it seems as though something did tell me to get your 'Golden Medical Discovery.' My wife took it as directed, and as a result she is so she can work now."

WORTH \$1000 A BOTTLE.
Chest Disease.—E. B. NORMAN, Esq., of Anon, Georgia, says: "I think the 'Golden Medical Discovery' is the best medicine for pain in the chest that I have ever known. I am sound and well, and I owe it all to the 'Discovery.'"

WORTH \$1000 A BOTTLE.
W. R. DAVIS, Esq., of Belleville, Fla., writes: "I have taken your wonderful 'Golden Medical Discovery' and have been cured of the worst case of consumption. I am now sound and well, and have only spent three dollars, and I would not take three thousand dollars and be put back where I was. I am endeavoring to have all my neighbors keep your remedies in the house."

COUGH OF FIVE YEARS' STANDING.
Mrs. N. W. RICE, of Newfane, Vermont, says: "I feel at liberty to acknowledge the benefit I received from two bottles of the 'Golden Medical Discovery,' which cured a cough of five years' standing, and dyspepsia, from which I had suffered for a long time. I have also used Dr. Pierce's Extract of Sarsaparilla, of Water Pepper, in my family, with good effect."

RAISED BLOOD.—L. H. COX, Esq., of Wales Centre, N. Y., writes: "I was troubled with pain in the chest, and raised quantities of blood, and was unable to do any work for several months, but after taking three bottles of your 'Golden Medical Discovery,' and several vials of the 'Pellets,' I am now able to do considerable work, and gain very rapidly."

LUNG DISEASE.
Mrs. MARTHA OWEN, of Carthage, Jasper Co., Mo., writes: "I was treated for several years by some of the best physicians for consumption without receiving any benefit. Soon after I commenced taking Dr. Pierce's Golden Medical Discovery and Favorite Prescription all the symptoms of consumption vanished. I wish also to report the cure of one of my neighbors who was a great sufferer from womb disease, and was permanently cured by the use of Dr. Pierce's Favorite Prescription."

ASTHMA CURED.
CARRIE S. STOWELL, Postmistress at Magnolia, Colorado, writes: "I feel that I cannot say too much in praise of your 'Golden Medical Discovery,' for I have found that it is of golden worth. It has helped both my husband and myself. Two years ago Mr. Stowell was afflicted with what appeared to be asthma, and our altitude being so high, the difficulty in breathing attendant upon this distressing malady was greatly increased. But he began to improve at once after commencing the use of your 'Discovery,' and was entirely cured by this wonderful medicine. As for myself, I have used it for nervous and general debility, and for an affection of the kidneys and bladder, and I found that it was without a rival for these complaints. We are now never without your 'Discovery.'"

Golden Medical Discovery is Sold by Druggists. Price \$1.00 per Bottle, or Six Bottles for \$5.00. WORLD'S DISPENSARY MEDICAL ASSOCIATION, Proprietors, No. 653 Main Street, BUFFALO, N. Y.
